# ABOUT ME

---

**HELPING BUSINESSES AND GOVERNMENT AGENCIES UNLOCK THEIR POTENTIAL WITH DATA-DRIVEN STRATEGIES AND PROVEN FUNDING SOLUTIONS.**

*Bryan Tamburrino*

As a recognized authority in data analytics and grant administration, Bryan Tamburrino has helped clients access over \$35 million in funding. Leading Connecticut's top Zoho Partner, he leverages Zoho Analytics to drive growth and efficiency for businesses and municipalities. His CDBG Certification and status as a certified U.S. and State of Connecticut contractor underscore his expertise in government consulting and data-driven strategies.

Pabbly

Salford

Bryan Tamburrino transformed Tangible Analytics Consulting into Connecticut's #1 Zoho Partner and the only selected grant writing vendor for the Connecticut Conference of Municipalities by building strong international relationships with software companies and forming strategic alliances with local consultants, influencers, business owners, and chambers of commerce. His focus on data-driven solutions and collaborations across the nonprofit and reintegration spaces has expanded Tangible's reach and impact, making it a trusted partner for both business growth and community development.
